

# 2009 MorgaenLee Vineyard Sauvignon Blanc Yountville ~ Napa Valley

## *Winemaker Notes from Rob Lawson:*

A beautiful, elegant wine that exhibits a great balance of aromas and structure. A classic Sauvignon Blanc with perfect varietal balance. A grassy scent with accented stone fruits, and tropical tones. It leads into flavors of peach, melon, orange peel and pear. A full mid-palette weight of tropical and stone fruits gives way to a lasting finish of citrus and minerality. Its long finish is supported by subtle oak nuances.
