

2005 Single Vineyard Cabernet Sauvignon Yountville ~ Napa Valley

Winemaker Notes from Rob Lawson:

The Ghost Block vineyard is an enchantingly beautiful site that brings out the best of cabernet. Eastern exposures allow for cooler afternoons and make for longer, more controlled ripening days. That is showcased in this full bodied cabernet that is bright and aromatic smelling of black berries, cherries, cassis, and spice. It leads to a ripe mid-pallet full of cocoa and earthy spice tones to finish long with a balanced acidity that heightens the finish full of vanilla, nutmeg, and black berries with hints of tobacco.

Varietal Content:
100% Cabernet Sauvignon
