

# 2007 Single Vineyard Cabernet Sauvignon Yountville ~ Napa Valley

## *Winemaker Notes from Rob Lawson:*

Nestled on a gently sloping knoll on the north edge of Yountville, Ghost Block vineyard is named in honor of the historic Pioneer Cemetery for which it borders. The vineyard is 16 acres planted to Cabernet Sauvignon.

The 2007 harvest was a mild and lengthy season with a few series of hot temperatures that brought sugars and flavors up, to be followed by cooler days for extended development. It was a great vintage. The ripening was steady and even. We were able to maximize picking decisions and get the exact flavors we were looking for.

The continued development and focused farming in the vineyard has led to great vine balance and even ripening, resulting in excellent grapes to work with. As the vineyard matures the Ghost Block profile should continue to evolve.

The 2007 vintage exhibits a dark and concentrated wine with balance and structure. Aromas of dark chocolate and spice lead to a full palate of black berries, cherries and cocoa. The mid palate is full and leads to a bright long finish of cherries, caramel, spice, cassis and coffee.
