

ELIZABETH ROSE

2017 CHARDONNAY NAPA VALLEY

TASTING NOTES

This Chardonnay with a clear, light straw color offers aromas of white peach, lychee, and stone fruits. The neutral oak & importance of lees contact both in barrel and tank, provides a crisp, steely minerality with a lean palate that matches the aromas of white, fresh fruits. It has a clean, crisp, friendly finish that will be delightful sipping on its own, or paired with many different foods.
